- Saves time and money during the pin striping process

# HOW TO USE THIS PRODUCT:

## Striping Tape Olive

1. Choose the area to be striped.

2. Apply the tape onto the vehicle and apply light pressure.

3. Select the stripe configuration and pull out desired sections. Press the tape firmly down along the length.

4. Mask off the remaining area.

5. Spray over desired area.

6. Once dry, remove the tape leaving your newly painted stripes.
